**IN THE CLAIMS:**

Please delete “Amended Claims” and insert --WHAT IS CLAIMED IS:--.

Please amend the Claims as follows:

1. (Amended) A box for videocassettes or compact discs (CDs), formed of a sheet-like blank and comprising a first and a second opposing side walls and four intermediate end walls, wherein a first end wall is positioned between first and second fold lines each defining a longitudinal edge of each of the two opposing side walls, interconnecting the side walls and having the same extent as the longitudinal edges of the side walls, and wherein a second end wall extends at a third fold line positioned to coincide with a longitudinal edge of the first side wall
